Received Telegram from "Railways", New Delhi with No. Es/50/DE9 dated 25th March '50 regarding retention in service of Medical officers and labour welfare officers in the Railway Department after 1st April 1950.

Submitted 7) Copies to Education Secretary and Law Secretary have been sent. As incorporated in the Telegram, Government of India would like to retain the services of District Medical Officer and Assistant Surgeons after 1st April 1950 on present terms and conditions and they would examine the question of the period of their retention later. As regards the retention of the services of labour welfare officers, it is seen from the telegram that the matter has been referred to the Ministry of Labour and awaiting the communication of their decision & appears to be inevitable before embarking upon further action in the matter. D. O. No. Int. 525/2

Dear Sri. Srinivasan,

Labour Welfare Officers of the Railway Dept.

I enclose herein a copy of my D.O. No.PC.606 dated 11th instant together with a copy of D.O.No.A1-28/49-50 dated 13-3-1950 received from Janab Mohamed Ismail Sheriff, Commissioner of Labour in Mysore, Bangalore, in the matter of withdrawal of the two Labour Welfare Officers posted to the Railway Department. As you are aware, it was made clear to us at the meeting held in New Delhi on 24th and 25th February 1950 by the States Ministry that it would be entirely the Government of India's responsibility to deal with matters pertaining to labour in the federating departments. Hence, I do not see the appropriateness of our asking the Central Government now to absorb the two Labour Welfare Officers. Further, these two officers are not regular Railwaymen, and hold their substantive posts in the department of Labour under the Labour Commissioner. Their case is on the same footing as those of the Dy. Inspector-General of Police (Railways), Dist. Supdt. of Police (Railways), Dist. Medical Officer (Railways), and Asst. Surgeons (Railways), who are all lent officers from other departments, and as such their posts have not been included in the list of Railway posts to be absorbed by the Government of India on 1st April 1950.

I shall be grateful if you will kindly clarify this point and advise me of the further action to be taken by me, if any.

Yours sincerely,

Ramakrishna.

As you are aware, the Mysore State Railway will be taken over by the Government of India on 1st April 1950. It, therefore, becomes necessary to revert the two Labour Welfare Officers of your Department now posted to this Railway.

I request you kindly to make the necessary arrangements for withdrawing these two officers (Messrs. K.H. Ramadas and H.M. Mahalinganna) with effect from the afternoon of 31st March 1950.

Copy of D.O. letter No.A1-28/49-50 dated 13th March 1950 from the Commissioner of Labour in Mysore, Bangalore, to the General Manager, M.S.Ry., Mysore.

=====

I have just received your letter No.PC.606 dated 11th March, 1950 in the matter of the withdrawal of the two Labour Welfare Officers (Messrs. K.H.Ramdas and H.M.Mahalinganna) with effect from afternoon of 31st March 1950. In this connection I wish to point out that under the existing orders of Government as also under the Indian Factories Act, the Railways will have necessarily to keep the Labour Welfare Officers both in connection with the Workshops and also on the line. It, therefore, follows that these officers should, in the natural course, be allocated to the Government of India along with the other staff of the Railway Department and the question of their reversion to the Labour Department does not arise. Under the terms of the transfer of the Railways to the Centre, all officers now borne and required to be borne hereafter have to be taken by the Government of India automatically and, therefore, I would request you kindly move the Government of India well in time, if you have not already done so, intimating them that along with the staff, the existing two Labour Welfare Officers also have got to be taken and absorbed by them.

I am sending a copy of this letter as well as your letter to the Government also. I request you to kindly take necessary action urgently as time at our disposal is short. I have all along been under the impression that in your proposals about the staff to be transferred to the Government of India you had included the names of these two officers also; and hence your letter comes as a great surprise.

Thanking you however, in anticipation for taking necessary further action as indicated above.

The Secretary,
Railway Board,
Government of India
New Delhi.

Dear Sir,

As you are aware, the Mysore Railway system together with all its staff and personnel is to be taken over by the Centre with effect from 1st April 1950. The General Manager, Mysore

State Railway has already sent a list of Railway posts to be absorbed by the Government of India to the Railway Board.

There are, however, certain posts which are not included in the list of Railway posts regarding which clarification is needed e.g., there are two Labour Welfare Officers posted to the Mysore Railway who are permanent officers of the Mysore Labour Department. It was made clear to us at the Chief Secretaries' Conference held at New Delhi on the 24th and 25th February 1950 by the States Ministry that it would be entirely the responsibility of the Government of India after 1-4-50 to deal with matters pertaining to labour in the Federated Departments. It is

Done by Gen'l. Tail.

therefore very necessary for us to know whether the Railway Board will be appointing the necessary Labour Officers to relieve even these two Mysore Officers before 1-4-50 or whether they would like these officers to continue for some time - say for about a year or six months with the Centre on a deputation basis.

There are similar officers of other Departments doing duty in the Railway such as *the* ~~Deputy Inspector General of Police, the District Superintendent of Police,~~ District Medical Officer and Assistant Surgeons. All these Officers belong to their respective Departments, as in the case of the two Labour Officers mentioned above, and your views are required urgently as to whether these officers may be withdrawn with effect from the afternoon of the 31st March 1950 or whether they should continue in the Mysore Railways as a loan basis even after 1-4-50, till such time as you are able to make your own arrangements.

So far as the Police is concerned, Law and Order is definitely a Provincial Responsibility. The same procedure as exists in regard to Railways in Part A States will apply here also. The

h-
special Police, if any - watch and ward establish-
ment etc., necessary for maintaining the Rail-
way Administration over and above the normal
Law and Order Force, will of course be the
responsibility of the Centre.

I shall be obliged if you can let me know
by telegram
immediately what you want us to do with the
Labour, and Medical Officers of this Government
who are now in the Railways. An immediate
reply will be appreciated as arrangements would
to be
have ~~been~~ made to withdraw these Officers and to
post them elsewhere, in case you are making your
own arrangements.
